**Information Note to Applicants for
the Licensing Examination of the Medical Council of Hong Kong
under Section 7A(1)(b)(ii) of the Medical Registration Ordinance**

Under sections 7A and 14D of the Medical Registration Ordinance (“MRO”), Chapter 161, the Laws of Hong Kong, non-locally trained medical graduates who are **Hong Kong permanent residents and hold the recognized medical qualifications but without undergoing a period of internship as approved by the Council during their full time medical training** are eligible to take the Licensing Examination (“LE”) in Hong Kong. Having passed the LE, candidates will be required to undergo a period of assessment. Provided that they are of good character and have good professional conduct and subject to their satisfactory completion of the period of assessment and having been selected for full-time employment as a medical practitioner with special registration in a specified institution (i.e. Department of Health, Hospital Authority, the University of Hong Kong and the Chinese University of Hong Kong) as listed in Schedule 1B to the MRO, they will be granted special registration and may be granted full registration eventually after serving in one or more than one specified institution with special registration under full-time employment for a total of at least five years after obtaining specialist qualification recognized or awarded by the Hong Kong Academy of Medicine.

The pathway for full registration of applicants applying to take the Licensing Examination as described under section 7A(1)(b)(ii) of the MRO and extracts of the relevant provisions in the MRO are at **Appendices 1 and 2** respectively for ease of reference.

**Pathway to Full Registration
for Applicants Applying to Take the Licensing Examination
as described under Section 7A(1)(b)(ii) of the Medical Registration Ordinance**

Note 1: For meaning of “recognized medical qualification”, please see section 14D of the Medical Registration Ordinance.

Note 2: Such period of assessment (not exceeding 12 months) has to be completed in a hospital or institution approved by the Council.

Note 3: “Specified institution” means an institution specified in Schedule 1B to the Medical Registration Ordinance.

Note 4: Subject to the requirements of good character and good professional conduct.

Extract of the Relevant Provisions of the Medical Registration Ordinance (“MRO”)

Section	Provision
7A	<p>“Eligibility for taking Licensing Examination</p> <p>(1) No person shall be eligible to take the Licensing Examination unless —</p> <ul style="list-style-type: none">(a) the person makes an application in that behalf to the Council and pays to the Registrar a prescribed fee for taking the Licensing Examination; and(b) the person satisfies the Council that the person is of good character and —<ul style="list-style-type: none">(i) that at the time of the application the person has satisfactorily completed not less than 5 years full time medical training of a type approved by the Council and is the holder of a medical qualification acceptable to the Council; or(ii) as an alternative for a Hong Kong permanent resident—that the person holds a medical qualification that is a recognized medical qualification for the purposes of section 14C. <p>(2) For the purpose of subsection (1)(b)(i), the 5 years full time medical training shall include a period of internship as approved by the Council.”</p>
8(1)(ba)	<p>“Qualification for registration under section 14</p> <p>(1) A person is not qualified to be registered as a medical practitioner under section 14 unless —</p> <p>.....</p> <ul style="list-style-type: none">(ba) the person —<ul style="list-style-type: none">(i) has been engaged in full-time employment as a medical practitioner with special registration in one or more than one specified institution (<i>employing institution</i>) for a total of at least 5 years (<i>service period</i>) after the earlier of the following—<ul style="list-style-type: none">(A) the person was awarded a Fellowship of the Academy of Medicine in a specialty;(B) the person was certified by the Academy of Medicine to have completed the training, and obtained the qualification, comparable to that required of a Fellow in a specialty by the Academy;(ii) has been certified by the Academy of Medicine to have satisfied the continuing medical education requirements for the specialty during the service period; and
