Allocation of seats in Clinical Examination

1. The 72 available seats in Part III examination (Clinical Examination) of the 2024 Licensing Examination (First Sitting) will be allocated in accordance with the following mechanism:
 - (a) Applicants will be prioritized into the following 3 categories in a descending priority:
 - Category A: Applicants who have passed 3 subjects in Part III examination (i.e. Clinical Examination) of the 2023 Licensing Examination (Second Sitting), and have a valid pass in Part I examination (i.e. Professional Knowledge) for taking the scheduled sitting of the Clinical Examination in 2024;
 - Category B: Applicants whose previous pass in Part I examination will cease to be valid after 2024 (calendar year), or applicants who have already taken the Clinical Examination for 4 times;
 - Category C: All other applicants.
 - (b) The seats will first be allocated to the applicants in Category A. If such applicants exceed the number of seats available, lots will be drawn.
 - (c) The remaining seats will then be allocated to the applicants in Category B. If such applicants exceed the number of seats available, lots will be drawn.
 - (d) The remaining seats will then be allocated to the applicants in Category C. If such applicants exceed the number of seats available, lots will be drawn.
 - (e) Applicants who are not allocated seats will be given enhanced priority in subsequent Licensing Examinations. One priority point will be given for each application ending in non-allocation of seats for one time. Applicants with more priority points will be accorded higher priority within the respective category.
2. An illustration of the allocation mechanism is set out below:

2021 CE (Second Sitting)

Maximum Capacity	:	72
Category A	:	10
Category B	:	20
